FROM THE MINUTES OF THE

YEARLY MEETING OF FRIENDS FOR NEW-ENGLAND,

HELD ON RHODE-ISLAND,

From the 11th to the 17th, inclusive, of the Sixth month, 1843.

THE Annual Report of the Committee of this Meeting having the superintendence of the Boarding School at Providence, was produced and read; and the Committee were encouraged to persevere in their efforts for the right education of the children and youth of the Society, under a persuasion that a blessing will attend their faithful labours herein; and the Report being satisfactory to Friends, the Clerk was directed to forward copies thereof to our several Quarterly and Monthly Meetings. From the Minutes of said Meeting,

A. SHEARMAN, jun. *Clerk.*

TO THE YEARLY MEETING.

The Boarding School Committee Report, That they have endeavoured, during the past year, to discharge the duties confided to them in superintending the various concerns of the Institution. The average number of scholars during the year, has been eighty, and during the winter term, one hundred and nine. Meetings for divine worship have been regularly held in the house, except during the time of the vacations, and harmony has prevailed.

Our friends Allen and Olive Wing continue to fill acceptably the station of Superintendents. Jonathan L. Slocum and Samuel Austin are employed as Teachers in the Boys' School, and Emmeline Aldrich and Elizabeth J. Aldrich in the Girls'. Charles F. Coffin, jun. is engaged to take charge of the accounts, and to have the care of the Boys out of school hours. George F. Read, Joseph W. Aldrich and Elizabeth H. Pope have severally been employed as Teachers during the past year.

The accounts of the Treasurer and Superintendent have been settled, by which it appears that the receipts of the School during the past year, have been $\$11{,}280\frac{16}{100}$: its expenditures $\$12{,}305\frac{51}{100}$, a part of which was derived from the funds on hand at the close of the last year. This amount includes the sum of $\$3{,}116\frac{57}{100}$, that has been appropriated to repairs and improvements; especially in erecting a building for a wash-house, and in making a substantial wall around a part of the Farm. For details we refer to a copy of the Superintendent's account, herewith presented.

We would propose that the price for board and tuition be continued the same as last year, viz. $\$30$ per term for members of this Yearly Meeting; $\$45$, for children who are not members, one or both of whose parents are members of society, and $\$50$ for those of other Yearly Meetings. Books and Stationary being furnished, as at present. Arrangements are made for giving instruction in the Latin and Greek Languages, to the Boys, and in the French, to the Girls, when their parents desire it, for which we propose, that the additional sum of $\$5$ per term, should be paid.

The income of the Charitable Fund for the next year, it is estimated, will support twelve scholars, one term each, and Monthly Meetings are particularly desired to forward their applications in season for the meeting of the sub-committee, at the School, 3d of

10th month next. As this is the last meeting of the Committee previous to the commencement of the winter term, it is necessary that applications should be seasonably forwarded in order to avoid disappointment.

The original design of the Yearly Meeting in the establishment of the Boarding School being to provide for the religious, guarded education of the youth of our Society, it has ever been a prominent concern with the Committee to promote this truly desirable end; and they are encouraged and comforted in believing that there are many, in different parts of this Yearly Meeting, who have found in this Institution the means of obtaining a useful education, in good degree free from the contaminating influences of the world. In order to preserve it a select and safe School for our children, we feel it to be very important that the careful guards which from time to time have been adopted by the Yearly Meeting, in relation to the admission of scholars, should be faithfully maintained; and we think it right at this time to revive some of these regulations, and to solicit Friends strictly to observe them.

First. Every Monthly Meeting is desired to have a Committee specially appointed for the purpose of granting certificates to all children, both male and female, whom they may consider suitable to enter the School; and parents are requested in every case, when proposing to send a child to the school, to make seasonable application to such Committee, in order to obtain their certificate.

Second. No male scholar, over fourteen years of age, can enter the School without previously obtaining permission so to do, from the Sub-Committee, who meet on 3d day before the first 5th day, in every month; and a certificate from the Monthly Meeting's Committee must be produced in these as well as in other cases.

Third. It is particularly requested that Committees in granting certificates, will exercise a care that children should bring no clothing to the School unsuitable to be worn on account of plainness; and that they give evidence of a disposition to conform to the rules of the School, and to demean themselves in an orderly and consistent manner; which should be expressed in the certificate.

Fourth. No scholar can enter the School for a less time than one term, without the consent of the Sub-Committee; and when, under peculiar circumstances, it may be deemed proper to admit a child after the term has commenced, it is desired that he will continue in the School until the ensuing vacation.

The faithful observance in this Institution of our well known and important testimonies as to plainness of speech, behaviour and apparel, continues to claim our unabated attention; and we earnestly desire that the importance thereof may be duly impressed upon the minds of the children, before leaving their homes, and that they may be encouraged in no respect to deviate therefrom, and thus wound themselves, and bring reproach upon our profession. In a Circular first issued in 1835, and revived in 1839, copies of which were transmitted to the different Monthly Meetings, some directions were proposed as to what constituted a suitable attire for scholars; to which we desire again to refer Friends who are intending to to send their children to the School.

On behalf and by direction of the School Committee,

SAMUEL BOYD TOBEY, Clerk.

Boarding School, 5th mo. 5th, 1843.
